Brief description of contents

4 docs to 5/26: Lumber loaded for Ute Jct., delayed by slide.

2 Docs to 6/7: Wants 30 lb rail. None available. May be available upon taking up abandoned spur tracks at \$40.00/ton.

Shirts to W I A B Fiewles of Telluride pilfered. Investigate.

3 docs to 5/27: Montrose transferring to narrow gauge cars & not providing narrow gauge car numbers causing confusion. Fixed.

2 docs to 5/31: About out of coal. Rico sent 6-7 tons of loco coal.

13 docs to 7/11: 4 cars of hogs Lost Canon to Denver 10/26. 3 hogs short. Not lost on RGS.

Wants to become 2nd trick operator at Rico.

Estimated cost to pick up 3 derailments including train 8, 5/30-6/1. (Fascinating)

Request to move 4000 lbs household goods Ridgway to Telluride account awarded trains 5&6. Granted.

Authorize 400 lbs household goods Dolores to Ridgway for coach cleaner P Ortiz.

Bill outfit car 02701 to Rico & 04036 to Dolores for section men.

4 docs to 6/24: Report of work train, billing questions.

3 docs to 6/26: Request letter of recommendation & pass to Denver from White to seek employment.

W H Longwell removing driftwood from bridge 91a acting as watchman account could not hire.

7 reports from agents at Telluride, Hesperus, Rico, Placerville, Ophir, Dolores & Mancos comparing 6/17 to 6/16 business. Mostly increases.

5 gal of gasoline at 33 cents/gal.

Congratulations on taking W D Lee's position.

9 docs to 8/10: Coal heaver Ute Jct quit, have your men take care of until replaced. Still no heaver. Suggest raising rate from 10 cents to 12.5 cents per ton & can then get someone.

4 docs to 9/28: Bill from RGS for repairing DRG cars obviously incorrect. Correct. RGS repaired cars in DRG trains at Ridgway.

6 docs to 8/8: Section speeder & push car collided with Train 6, eng 22 at third curve north of Winkfield at 17:43. No injuries. (Interesting story/reason from section man Pete Romeo.)

Coal lump fell off overloaded car hitting brakeman, incapacitating him for several days. Fix it so cars are not overloaded.

Send what I have coming for July to N Montoya. Owe Montoya \$52 for provisions.

2 docs to 7/30: Wants job as brakeman. Don't need brakemen now.

2 docs to 7/30: Offering fire killed red spruce piling. Don't need now, will keep you on file for next year.

2 docs to 8/7: Installing a cattle guard at your expense just south of Lost Canon siding.

Why wasn't \$1.00 deducted from Sec Foreman A Romeos in June? No income. Deducted \$2 from July.

Monthly report of Placerville loadings for July.

Section Foreman P Romero again took coal from commercial shipment. Suggest we charge Romero so he won't do it again.

23 docs to 9/21: Bad transfer taking place at Montrose. Gunnison Supt fixed (again) with Montrose agent. Agent changed out!

Our crew between Montrose & Ouray operates one direction each day. Don't give us live stock on the days we go to Ouray.

Instruction on how to request passes.

7 docs to 9/13: Three men did not receive pay. Eventually straightened out.

3 docs to 9/10: Claims July pay is short. Explanation of why pay is correct.
19 docs to 9/13: Compton overpaid \$38 that should have gone to F P Combs. Lots of disagreement until White took Compton out of service 8/30 upon which Compton paid up.
2 docs to 8/27: Move 500 lbs household good Durango to Telluride account transferred.
2 docs to 8/30: Water bill not paid. No bill received.
7 docs to 8/31: Bills for gasoline I bought because I don't have a gas can. 10 gal can requisitioned.
2 docs to 9/4: Claiming 26 hours pay. You get 10 hrs.
3 docs to 9/11: Why large increase in terminal time & why decrease in miles per ton of coal? 8 hour day instead of 10 hour day. Locomotives in bad shape. More traffic handled. More trains doubling hills account inadequate locomotives. Engineers fudging coal given them in '16.
docs to 9/19: Chasing two old boilers.
3 docs to 9/1: Need coal for winter at section & bunk houses. Jones polls other sections to get their needs, inventory & storage capacity.
2 docs to 9/13: Inquiring about a brakeman applied at Salida. Yes, service satisfactory.
3 docs to 9/13: Wants a raise & portion of express commission. Put in for \$5 raise & talk to agent about sharing the express commission.
3 docs to 9/10: Monthly reports from agents at Telluride, Rico & Placerville of shipments during August.

White expense account for August for \$14.35 including 1.35 for chair car 401. 17 days on the road.

4 docs to 9/13: Bulletin lost passes & mileage books. Bulletin 1130.
3 docs to 9/3: Who to send 'weekly letters' to. Weekly letter attached. Reported 3 derailments in one week, received 3 locomotives from DRG & returned 1, car loadings report, weather report & other stuff.
5 docs to 9/15: Unsuccessful search for lost raincoat on train 6.
10 docs to 10/9: Three coaches **252**, 256, & 260 need painting & light running repairs at Alamosa. **252** delivered to RGS at Durango on 10/6/17. Billed to Alamosa on 10/9/17.
3 docs to 9/13: Paid rent on house, \$10 for two months.
Handle Beesley+Talbot Amusement Co Montrose to Telluride on 9/9/17 in regular train service but Amusement Co to travel in separate 3 baggage cars 1 coach & 1 flat or gondola. Look for stowaways. (must have had previous experience with amusement companies)
2 docs for rental to RGS of DRG steam shovel OQ. \$310.
2 docs to 9/18: List of cars not moved in 5 days. Why?. Locomotive shortage, long time for customers to unload account labor shortage, not needed elsewhere.
5 docs to 10/1: Willcox wants time off. Got J P Jacobson to replace him effective 10/1.
Wants a trip pass.
Order for foodstuffs.
2 docs to 9/28: 3 bags of Telluride mail damaged by water leaking from water cooler. Why? Tank fixed, but will not be filled as it is not needed.
2 docs to 9/17: Claims a run around. Withdrawn.

2 docs to 9/26: Correction. Done.
John M Padgett vice Reitler transferred to Salt Lake City.
Since US now at war additional instructions about explosives.
Do not hire John/Juan Mores.
3 docs to 9/15: Charge Premos Chemical demurrage.

Claim for 2 cases of meat Durango to Dolores. Not arrived at Durango.
1 bell casting
3 docs to 9/19: Issue bulletin mileage tickets & passes missing & issue a trip pass.

6 docs to 9/26: Clerk quit, hired replacement who is also the Postmaster.

4 docs to 9/27: Advise loss & damage in derailment of water tube boiler on train 11, eng 205 at MP85. Includes details of rerailling & reloading from CMO Moshisky & invoice for groceries. 9 tubes bent.

2 docs: Our bill to you is cancelled, oops.

Refrigerator cars often have meat racks. Apple loaders remove to load. Apple loads to Alamosa have meat racks loaded on top.

Issue trip passes.

4 docs to 9/25: Extra track gang 3 established per suggestion of Easley at Muldoon. New forms.

2 docs + another handwritten on document: Re-employment release for Eng. Complication because he wanted to be paid for time off during recuperation from injury incurred in derailment & has been working since the 12th.

7 docs to 9/28: Why didn't you move two mty oil tanks from Vanadium? Do switching on return trip tonight. Tanks were not on the switch list from the agent at Placerville. Too many people telling me what to do at Vanadium including the Chemical Foreman & others. Agent claims Chemical Co does not notify him about mty tanks. (sounds like some mgt attention is needed at Placerville)

3 docs on 9/27: Finished with DRG steam shovel OQ on 9/16. Will be stored at Salida or Ridgway.

We will get electric bills paid by the 25th of each month.

2 docs to 9/25: Authorizing chief clerk Franks to sign for White.

DRG eng 206 turned over on Calumet Branch 6/18. Rerailed & sent to Durango 6/19, Can we stop rent on 19th?

Passenger lost suitcase between Telluride & Durango.

Further details regarding hitting animal 8/19/17 MP 160-161.

Called fireman for work that exceeding 16 hr law. Why? CTD Peake said he had time to make it within 16 hrs.

Request for a trip pass.

Thanks for info on L G Exter.

Request trip pass for three laborers from Embudo, NM to Franklin Jct.

Need weekly report of mail train operation.

Request for trip pass for daughter Sadie, Ridgway to Delta.

2 docs to 9/26: Bagby & Coppinger scheduled to load 11/7, now scheduled 11/24. Why? 4th Divn DRG rescheduled. Request for trip pass Ridgway to Durango.

Work report: 13 men at \$2/day, lined & surfaced 810 ft & 26 new ties. Gave 5 hrs overtime account working on Sunday.

Request trip pass Salida to Pueblo.

Ben Martinez owes Allen meat market in Ridgway \$13.00. Deduct from his Sept wages. And pay Allen. (no court orders, no nothing just do it)

Request trip pass Hagens to Montrose & return.

Repeat of bulletin from ARA re water for long distance troop movements.

Since operator Cook resigned we are replacing with R D Jones, Rico Roadmaster. Make the best of it.

Deduction order for physical exam of a person who worked for only a few days.

Report of train 7 eng 420 striking red steer 9/8 MP 22-23.

Broken rail south leg Ridgway wye. Your extra gang has not fixed. Fix.

Bulletin 1131: Mileage ticket & Colorado Line card to be picked up if presented.

Request for trip pass Valley View to Embudo, NM.

Raises approved for White, Peake, Franks, Kemp.

2 docs to 9/29: Make Pete DeJulio Section Foreman at Ridgway.
Made a deduction in the form of a beard bill.
Request for trip pass Montrose to Ridgway.

Hrs of Service report received for Aug.
Revenue & Expenses report for Aug received.
Report of agency for Aug. Up slightly.
5 requests for trip passes.
Follow-up on something sent to FW on 8/10/17.
Expense account for Sept 17. \$39.35.

C B Carpenter appointed Supt Ridgway vice F White Acting Supt.

Loading report.
Wire me dates you did not meet 371 so I can cut overtime from your pay.
Sold lower 3&4 on train 16 out of Salida. Reserve 1 lower for Mr Sweet Salida to Denver.
On 375 to Durango tonight.
Quote rate for 19 round trips Telluride to Durango basketball team.
CONX 28 from Gunnison arrived Ridgway with 2-3/8" flat spot #2 B end.
Crew lineup.
Wire record of inspection & repair of TCX 72 on 9/6/30.

Furnish form 392. Gibbs struck by ice Stoner Ck taking water.
Crew lineup.
Delivering 1 car of cattle to Placerville on 353.
Need 4 double deck stock cars for Placerville 19th, DRG has 1 at Montrose. Using 6 single decks will cost us helper.
Advise.

All existing labor agreements abrogated, new pay rates & working conditions established (not attached). Pay for T&E will be at former rate. (Not cut). No minimum day or arbitraries. Can be paid less than 8 hours. Craft lines are abolished. Round trip Telluride to Ridgway will be one day's pay. Agents will be paid salary of \$150/month & no commissions. Employees who wish to work under these conditions give written notice & will receive preference for remaining jobs. Agents can receive up to \$1000 lump payment in lieu of commissions when RGS comes out of receivership (never happened). New employees will work on mutually acceptable terms. RGS will provide safe & healthy working conditions. Employer reserves the right to award meritorious service & dismiss employees for substantial derelictions of duty after a notice & hearing.

Receiver's proposals of 3/14 will take effect 00:01 5/1/30.

2 docs to 5/1: Quarterly water bill for \$30. Paid 5/1/30.

Come to Denver Sunday to discuss things

Telluride & Placerville agents will work 8 hour split day at their convenience to meet trains. Milk & express commissions cease to agents. Express commissions go to RGS. Pay is \$150/month + \$0.90/hr overtime.

Time to install spark arrestors, stop burning ties & section men put out fires.

Authorized to move 10 cars of ore at Ophir.

Discontinuance of supervision by DRGW officers & associated reports.

3 docs to 5/4: 2 cars company coal at Ridgway. Unload & get cars off per diem. Questions about per diem. Building a temporary platform to unload coal onto to save \$30/month in per diem.

2 docs to 5/13: Send copy of 3/14 proposal. Pay 8 hrs for less than 8 hrs work or actual time? More than 8 hrs 150%? What rate for deadheading? Sent reply for helper & deadheading 5/12 (not found).

2 docs to 5/7: Instructions for agents to check wool for shipping. Agent at Dolores whining about closing freight house while checking wool upsetting the public.

Inventory of various oils on hand at Ridgway for May.

With 5/1/30 working arrangements T&E home for 371 & 372 is Telluride. When there are over 10 cars an extra brakeman is required. Extra brakemen are based in Ridgway. If the other side of 371-372 does not require extra brakeman, then they are deadheaded back to Ridgway. What are they to be paid? If they work back to Ridgway the next day, what are they to be paid?

2 docs to 5/8: Loading report for week of 5/3 at Franklin & Lightner.

Report of 367 cars stored. Includes: 180 DRGW flat bottom coal, 133 DRGW box.

You are asking too much of me working 19 hour day & paying only 8. Need a watchman. Also I have to coal engines because the bulletin (not found) assigning enginemen to turn their engines did not designate who was to coal them. RGS bridge over 6th St Dolores caved in with truck load of pipe. B&B fixing.

2 docs to 5/10: Ophir 4 ore to move. Move water service to Trout Lake prior to opening line (Ames). Approved. Building & land dispute.

Invoices for approval including inspection car from Fairmont \$300.85.

Need info on what to pay for deadheading & helper service. When feds take eng out of service, is it enough that the mechanic sign off on the work or do we need CMO signature as well?

3 docs to 5/15: Re your letter of 5/12/30 (not found) re new schedules for T&E. Send copy of hours of service act. Sent under separate cover.

498 cars stored.

Check out engine lathe in Telluride that might be available for \$50.

Report of a trip to Durango & return: Friendly feeling toward RGS is building in Mancos & Dolores. 210 tractors sent into Dolores last year. Need gravel road Dolores to Utah line to move freight 40 miles to RGS instead of 200 miles to Gallup. Next trip by Miller he needs to go west into Dove Creek area to see wheat, beans & spuds that are available.

Loading report.

Loading report.

Unclaimed notice of 4/29. Deliver if possible. Done. Disp W L Miller has not received notice.

What is pay for imposed contract, which is in controversy between receiver & organizations, Durango to Rico + Rico to Burns & return to Rico? One day + 2 hours overtime.

Loading report.

459 stored cars.

2 docs to 6/27: Form 3247, Daily Time Report of Employees & form 3842 Station Record of Train Movement still have to be made for ICC.

Have arranged to take inventory. Will use 1929 prices.

Inventory of various oils on hand for June.

Company material on hand.

2 cars RGS 1789 & 1885 in water service.

2 docs to 6/6: OK I will only show 8 hours per day. No, show actual hours. Work a split shift to get train out & then to receive train, You have only one loco to take care of. Ridgway has two locos & does work in 10 to 11 hours.

2 docs to 6/2: Highway Dept advises steam coils leaking making cars of oil impossible to unload. Creel unavailable.

2 docs to 6/6: Have arranged for DRGW to handle telegraph business including maintenance.

565 cars stored.

2 docs: Cars stored at Telluride & Mancos.

3 docs to 6/10: Hear that coal is being trucked from Lightner to NM Lumber in McPhee? No. Only coal trucked from Lightner to McPhee is for private use.

Dolores River up. Some driftwood in bridges. Section men working on river.

Dolores River up last night. Down about 10 inches this am. Some big driftwood moving. Not bad yet.

414 cars stored.

Provide estimates for May of estimated expenses for MoW, MoE, Transp & payroll of \$10,172.

Could not contact you 12:00 to 14:30. Was uptown fixing a claim against Express Co who made me wait.

2 docs to 6/14: Instructions for making vouchers. Apply to be notary.

2 docs to 6/16: Personnel records shipped from Alamosa to Ridgway have not been received. 17 boxes of RGS records shipped 5/29. Left Alamosa 6/1. Car RG 3091 waybill D-73.

373 cars stored.

Suggest changing telegraph wires to increase reliability for \$25 or less if RGS provides helper to lineman Carroll.

3 docs to 6/28: Trying to hire Machinist Martin at Ridgway. Offered 75 cents/hour, now making 77 at Salida so offered 77. Loco 25 in shop for 30 to 60 days. Furnish me rate schedule of wages for shopmen that I can pay. Some rates included.

340 cars stored.

May inventory. Out of forms.

It is our intention to bed stockcars this year on RGS.

Talked with Nelson of Durango Exchange. Roadmaster Patton of Durango did make a talk & what you heard is correct.

Talked with Patton & he promised to quit talking. Assured Nelson that Patton was not expressing Miller's or your feelings.

Will put foreman & 2 men on at Lizard Head effective 7/1.

Reduce speed to 8mph around Ames Slide. (slide removed 6/19)

Will use 3 train crews of Cond & Brakeman between Durango & Telluride instead of train crew Rico to Telluride. Will use 1 engine crew Rico-Telluride.

Enclosed (not) MoE, Stores. Transp & MoW labor & material reports. Late because had to learn. Inventory will be along shortly.

Cannot make notary application until resident of county for 90 days, 8/8.

Contractors in Rico want rate to move equipment Bear Ck Sdg to Lyons. Bear Ck to Denver = \$1.10/100lbs. Denver to Lyons 18.5 cents/100lb.

2 docs to 6/30: Cut water service pipefitter (U S Black?) salary to \$150/mo with understanding he will do other duties as required.

3 docs to 7/9: More about forms 3842 & 3247. Use one form/day.

3 docs to 7/7: Requisitioning forms.

7 docs to 7/7: Requisition for parts to fix loco 25.

Send all gasoline containers to supply car at Durango for filling. Send all discarded motor car wheels & axles to Ridgway.

Inventory of stored cars by car number & location.

Keep me advised of Dolores River situation

Have tires been received for engine 41?

2 docs to 7/1: My fault you were not notified of construction at Bear Ck. Bills for damage & our expense by mail.

Delays to trains sent to dispatcher.

Gas drum sent for refilling.

409 cars stored.

Delivered 6 cars of gasoline to DRGW Ridgway from Farmington.

Want to cut cottonwoods on RGS property. No, might use as rip rap.

2 docs to 7/7: Eng 20 set fire near Timber Spur. Fix spark arrestor.

Instructions for registering express matter destined to commissioned agents.

3 docs to 7/6: Train 372 delayed 10 mins account spikes driven in rails (joints?) between Jays Spur & Ridgway, Think it was young boys.

Brunton wants to put extra set of instruments in Ridgway Disp office. Dispatcher advises problem is that Ouray grounds line & forgets to take off ground. (Should promote disp to Supt Telegraph.)

Daily interchange report for Durango.

Telluride Transfer Co (coal) says that if RGS reduces rate on coal by \$1/ton they think all Telluride coal can be RGS sourced.

Attached (not) invoices for oil & gas operating San Miguel steam shovel removing Ames Slide. Destroy Placerville invoices & voucher these.

DRGW agent at Gunnison not aware embargo lifted between Rico & Telluride.

Requisitioning crossing timbers for crossings at 7 locations.

Send statement of cost of removing Ames Slide.

Requisitioning carbide & electrodes.

How many cars of RGS coal unloaded in June on exchange agreement.

371 cars stored.

List of materials in & out.

Cars stored at Dolores.

2 docs to 7/24: Have petition from RGS customers at Dolores requesting unloading dock. Proposed spur a bad idea.

Want platform beside a track.

2 docs to 1/24/31!: Burnham has 6 RGS patterns. Do you want them? Yes.

Town board wants wooden walkway renewed. \$50. Done.

Ditcher sent to clear wash ins Brown to Sawpit. Former wages listed. OK to pay these wages? Yes.

West end of slide same place as last night.

462 cars stored.

Boucher & White appointed by the Governor as Notaries.

Equalization report week of 7/18.

Loading report Lightner & Franklin.

Bulletin 5: Do not load gasoline barrels in merchandise car. Sanders says loaded with sugar.

3 docs to 7/22: You took 1:40 for breakfast & did not get work done.

3 docs to 7/27: Rates of pay for shop forces Ridgway 85 to 38.5 cents/hr. Proposed rate of 33.25 cents/hour for engine watchmen is too low, same as track laborers. We must have competent men, meaning white men, as engine watchmen. Raised to 38.5 cents/hr.

6 docs to 8/7: Cattle movement, 2 cars Dolores to Denver.

Equalization report week of 7/25.

Will unload switch material at Dolores.

DRGW have obsolete pattern for stake pockets, If found casting will be made.

Stock car for Ely setout Vance Jct with brake beam down. Ferguson to repair.

Car of bridge ties at Vance, unload requirements & car will go to Sam for unloading of remaining.

Loading report for Franklin & Lightner.

Bulletin 24: Effective 11/12/30 take coal at Ute Jct instead of Durango. Oil supplies will be at Telluride instead of Durango.

18 docs to 1/29/31: Start of a long campaign by BLE & BLFE to test if RGS receiver has the authority to cancel the labor agreements RGS had with the unions. Eventually escalated to Genl Chairmen of the unions & Receiver Miller. Unions argued that contracts were in effect until Judge ruled that they were not. Miller held firm that he had the authority to cancel labor agreements. (Lawyer Miller won). Examples of claims were: 1. Held away from home terminal, Pay continuous time after 16 hrs. 2. Fireman being required to coal engine at Rico. 3. Improperly paid for trip from Durango to Dolores & return. Claims continuous time. 4. Another improperly paid Durango to Dolores & return. 5. One days pay account run around at Rico. (Types of pay that did not help RGS finances that the bankruptcy eliminated)

3 docs to 12/9: Schedule of supply cars.

Bulletin 25: Derail installed east end of Ophir Passing Track replacing derail switch. Derail installed at Franklin Jct on main lead. Sec Foreman at Porters give eastbound mail to enginemen.

2 docs to 11/28: Herewith supplies.

Now that heavy livestock is over, can we store stock cars without per diem? If we can we can eliminate helper moves by getting cars into position on light days.

2 docs to 11/30: Any ore being trucked Hesperus to Durango for Leadville? One. No orders.

2 equalization reports.

2 equalization reports.

2 H-1200 reports.

3 reports of cars stored on RGS.

26 docs that it took to run the livestock movements.

24 wire & weather reports.

5 H-300 reports.

Situation report.

Come to Ridgway to move old coal house from ice house to roundhouse.

Bulletin 27: Effective at once take receipt for all baggage, milk, empty milk cans, newspapers, etc. received at Durango & Ridgway.

Bill RG 6303 back to Telluride when empty at Silverton.

Copies of electric bills for Nov which have been paid.

Unload Placerville from merchandise car & take car to Telluride.

Bulletin 31: Trainmen will register at enginemen's register room at Ridgway instead of depot.

Move merchandise from Telluride, mty coals from Vance & Trout Lake. Set coals out Lightner, fill cistern at Porter. Do not do coal work.

2 docs to 12/16: Have not received your time slip for 12/3 Dolores to Durango. Slip is for Durango to Dolores only. Move ore for Leadville from Ophir to Vance.

2 docs to 12/19: Oberta of Telluride complaining that shipping timbers to Silverton is costing \$96/car while understanding with V Miller was \$60/car. Sending timber at cost to help Telluride economy. Loosing \$36/car. Can he get \$60/car?

When will you finish cribbing at MP 77? (between Kings & Bear Creek)

Will load switch material in RG 3672.

For convenience of patrons & carman at Telluride, furnish ETA of 371 at Telluride. Carman works split shift of 16 hours.

Mail & express loaded at Durango is mixed & not in station order. Handle with REA.

OK to send 2 copies of 3922 instead of 3407.

3 Doubledeck of sheep for Oakly, KS via Denver UP on 1/1/31.

Handle 2 wrecking outfits Telluride to Ridgway in ?

Shoved mty coal off tail end of inside spur at Franklin. No equipment to rerail. Will rerail in a few minutes next trip.

2 docs to 12/30: Pass request to Cond Houk at Salida Hospital . Mrs Gwendolin Allen needs pass return to Ridgway from accompanying Cond Houk to Salida.

Ice up to stringers west end of bridge 62-B (128' long, 6' 7" high trestle). Handle.

Answer my wire regarding damage done by forest fires.

Need time slips for 12/25, 26 & 27.

Have 375 load household goods Sec 4 in baggage car & take to Rico on 12/31. Stuff all ready & not 20 mins delay.

2 docs to 12/31: 375 will have 3 sheep & one cattle on 1/1/31. DRGW requires RGS to unload.

Loading big timber for Silverton now. 2 previous cars had lagging.

Deposit my check at Durango Trust.

Need time cards for 12/18 & 26.

Pipe will not arrive Durango until 1/1/31. Will give preference to Mancos.

12 weather & wire reports for December.

Car of coal at Vance Jct for Carbarens Ophir since 12/26. Frt is \$143 & they promise to pay by Thursday. We refused.

23 docs to 7/6: Have material at Alamosa which is only for RGS class 85 locos. Do you want? Yes. Much haggling over who owns, RGS or DRGW & then over price for the DRGW owned material. Will buy from DRGW as needed.

What days other than Friday can you handle livestock? Only Friday. Annul other days frequently.

2 docs to 1/25: Steam pipe under office is still leaking & radiator in Randow's office leaking. Come to Ridgway & fix.

White on 371 on 1/6 & wants to see Black.

Water main frozen & insufficient water to supply reservoir. We now have some water & hope to get by. Will not install pump.

rate for \$80. White said should take \$60 since train was running mty anyway. Krauser wanted his \$80. School cancelled. Krauser offer \$60.

Express middle connection of side rod loco 20 to be fixed. Wrote Salida if they could do this type of work. Graebing asked what it would take to do work in Ridgway.. Need side rod stub ends. Don't have enough work to justify steam hammer.

Yard report.

Provide details of your re-injury on 12/19.

Spring feeding water tank at Stoner Creek went dry.

2 docs to 1/15: Operator Montrose gave us OS 353 lv Montrose of 4:50. 353 arrived Ridgway 7:10. To minimize overtime for our train 371 & joint car inspector at Ridgway we need good OS. OS was good. Train delayed 30 mins on run.

Lots of water at Priest Gulch tank now. But tank dried out & consequently leaks causing ice nuisance.

Check annual inspection cards of RGS 20 for date due for removing lagging + any months out service.

4 docs to 1/17: 374 delayed 50 mins Franklin. RG 1901 had two brasses turned over with obsolete oil box. Got one fixed but not the other. Mty dump 726 has angle cock broken off. Porter sec foreman got carman from Durango. OK to Durango to change wheels on 1901 account journal very rough.

3 docs to 1/24: Effective at once furnish trains 375 & 376 with oil allowance Durango to Telluride only.

6 docs to 2/7: Ridgway city water completely frozen. May need you on short notice. Need 400' of 1.5 inch pipe from Smuggler. If they have it, get truck & go get it & put on 372 tonight.

Look in Rotary cab & advise if cab cards & workout sticks are there.

Where have you been sending rest register sheet? Send to Ridgway.

Make your requisition for March supply cars for 60 day supply.

Check at Durango foundries to see if RGS pattern 207 is at any of them, chafing wedge spring pocket casting.

8 docs: Moving livestock.

Recapitulation of 1/31 LC report, not to include company material.

51 telegrams that it took to run the railroad.

Quote passenger rate Pueblo to Indianapolis ATSF, Big Four.

Water line frozen to East Mancos tank. Return to Ridgway today.

Baggage Car 258 is equipped with a bar at the end which the lock is broken. Bar & lock other end.

Requisition parts for loco 25.

9 docs to 2/25: Circular 1689 says Cresol Compound is identical to Hexsolis. However, the USDA circular 1688 does not list Cresol as an acceptable disinfectant. We are returning 10 gals.

3 docs to 2/16: Black Diamond Coal Co is trying to take DRGW coal business away from Naff & RGS by trucking coal to Durango. Not true. However, DRGW has a large coal inventory so Naff & RGS won't be shipping much costing revenue of \$325/mo.

Boucher, Chief Clerk, sick. Trip postponed.

Disregard my telegram.

3 docs to 2/15: Why was 31 order #2 not delivered to 382? Covered up & overlooked. (fireable)

3 docs to 2/26: Investigating a steam hammer for RGS. Too expensive. How about a used for \$800?

5 docs to 4/8: Advise seal numbers into & out of Durango. Can't find seal number records so gave time received from DRGW & when departed on RGS. (Unresolved)

5 docs to move livestock for the month.

9 docs to just run the railroad.

5 docs to 4/17: RGS section foreman bought watch from our local inspector Pueblo/St Louis for \$10 more than he would have paid in Durango. Did not have to pay the extra \$10.

Amount allowed by DRGW for scrap value of two wheels is OK. We are not getting a wheel press.

2 docs to 3/25: What baggage check numbers do you have? 15000 to 16999 received when moved from Alamosa to Ridgway.

Wish to purchase Liberty Bell Mine at Telluride & salvage the 50,000 BM Ft of lumber, some of which we can use for Lizard Head Shed this summer. Offer \$75, later reduced to \$50 + taxes of 26.40. No, you have not established absolute ownership or negotiated the price. (typical auditor behavior)

When are you available for an investigation?

3 docs to 4/6/31: Ford lost shipper's order. Ford has money so ok for RGS to release shipment in Dolores.

7 docs to 4/8: Wool being shipped from Placerville soon, 50% by truck. Much hard work by agent & only a little went by truck, mostly by the mail hauler taking it to Montrose.

4 docs to 4/10: Wants 115 pounds of seed to replace alfalfa burned last fall. Burned 1 acre, 12 lbs/acre?

Bulletin 7: Had a number of derailments due to frost coming out Telluride to Rico. Be careful.

Telegraph wires crossed at two locations because poles down. Why?

Marketing weed killer.

Purity Biscuit is complaining about transit time of LCL biscuits SLC to Durango. Trace RG 64170. Took 4 days SLC to Durango. Normal handling on RGS.

Roadmaster re-establishing all sections on 5 day week effective 5/1/31, to get track back into safe condition.

3 docs to 6/8: Can get clock fixed for \$5.00? OK.

Effective 5/1: Agent Mancos will make storage & car reports Mancos - Denver.

Recapitulation of 4/31 LC report, not to include Company Material.

2 docs to 5/16: 4 parts.

Shipped one mty oxygen cylinder, 77 cents.

Want card showing rates of pay for T&E with amount paid per mile or minute.

Do not wish tank car from NM lumber, too small.

TCX 72 derailed at MP 58 9/4/30. Ridgway can fix car for a lot less than DRGW wants from us to fix it.

Wheels, trucks & bolsters were derailed by snow slide at MP 43 (just south of Ames) long ago & were too far from track to be retrieved other than with team & wagon.

2 docs to 5/19: Wheel on baggage 257 has vertical flange to limit. Change? OK.

4 docs to 5/26: ICC B&B Engineer will go over line. Arranging for trip. Another ICC B&B Engineer will examine records from 6/30/19 to 12/31/27 in Ridgway.

Someone placed spikes, brace chairs & rock for 100 yards on inside rail of curve at MP 18 1/4. Struck one brace chair & got train stopped with no damage.

Pushing a high temperature resistant paint.

Kline operating mine at Burns. Blocks tracks except at train times. Claims to have agreement with Receiver. Does he?

If so, need to issue bulletin to extra trains.

2 docs to 6/17: Requisition for mineral oil. Denver says use kerosene. Does not work as well.

2 docs to 6/17: Fireman Craig wants to use RGS Hyde Sneva Ditch water paying all assessments. OK.

Tell Shell filling station Placerville that RGS owns 25' each side of centerline.

8 docs to 7/14: Requisitions returned because of uncertainty of amounts needed to run the car (Supply car). Will handle with Continental Oil at Telluride for gas for M1. Buy gas from Continental because gas comes from Farmington to Ouray over entire RGS & RGS gets the freight. Gas & kerosene for sections. Later negotiating with Texaco.

3 docs to 6/22: Quote carload rate on tank of 6000 gals of oil on flatcar Vanadium to Thompson, UT. Total weight 6500 lbs. White examined. Do not think RGS can move loaded tank. Use narrow gauge tank car to transfer to standard gauge at Montrose. RGS can move mty tank.

Power Co has load of poles that need idler, need rate. 21.5 cents/100 lb.

2 docs to 6/29: Agent Benton is still sending some reports to DRGW. Send to RGS.

4 docs to 6/29: Miller agrees with proposal of Grant Sanders to put on three crews Durango to Telluride. Letter from Miller thanking crews for ideas that make their life better & RGS service better under the flexible working conditions now in place.

3 docs to 7/1: CONX moves from Farmington over RGS to Gunnison. Working out the details because of DRGW scanty service.

31 receipts for Timetable 3 effective 5/31/31.

2 docs to 7/3: Is switching of Thomas Orr at Dolores profitable? Yes. (Good financial analysis.) DRGW will not pay RGS anything because RGS owes DRGW. Can reduce indebtedness to DRGW.

Have 12, 16, 20 & 30 cubic yard air operated side dump cars for rental or for sale.

2 docs to 7/2: How many CONX delivered to Durango on 7/1 & how many on line? 3 & 0.

Have lumber available at good prices including ties.

Get your eastbound business into Ridgway on Wednesday. OK, RGS will operate Ridgway to Rico on Sunday, Rico to Dolores & ret Monday. Rico to Ridgway Tuesday. DRGW deliver to Ridgway Saturday evening & to Durango by Monday morning. OK.

3 docs to 7/9: Fire extinguishers.

2 docs to 7/13: McPhee lumber cars not being weighed officially account short run. FCK should we weigh?

Got 100 lbs of ice from ice house. Have made other arrangements.

3500 lbs household good loaded in baggage car for Browns on RGS. Let baggage car go through Montrose & return.

3 docs to 7/30: W C Little of Hesperus wants cattle guards such as installed at Gus Schaaf's. Little, are you willing to pay all expenses?

2 docs to 7/15: Order 102' 2" of 3/4 galv pipe - \$8.47.

Bulletin 21: Conductors will know how many mail pouches are for each point & if short notify FCK.

2 docs to 7/29: Issued bulletin 24 to all Conductors & Motormen who have not executed a bond with REA to do so at Telluride or Durango.

1 mty oxygen cylinder \$ 0.76.

Cars stored on RGS.

Requisition parts for loco 25.

Recapitulation of July 31 L C Report.

We have charged the wages of callers (among other things) to account 377. Should charge to 400.

You are behind in your watch deductions. Mix-up with a busy corner pharmacy. OK.

Cars stored on RGS.

Wants to lay off 15 to 20 days to tour Salida, C&S, to Leadville, Moffett Road.

396 delayed 40 mins account improper loading of merchandise.

Herewith sewer tax notices for 1930 & 1931 from Montezuma County.

Long term storage cars should separate in 10 car groups for fire breaks.

4 docs to 8/31: Results of fire inspector. Destroy records, clean up.

?ups unloaded of Motor ?? since 8/1.

Cars stored on RGS for week ending 8/14.

Shipping one mty oxygen cylinder \$0.79.

Law 431 forbids shipments >1000lbs of fruits & vegetables that state inspector says can't be shipped, in writing.

Coal required on RGS week ending 8/29.

Don't know anything about flat wheel on DRGW 1817. With short train would have heard it pounding

Marketing letter that RGS is enlarging stockyards & adding loading chute at Dallas Divide.

2 docs to 8/29: CONX 11 received Durango with broken steel end sill & channel draft sill. Appears joint car inspector Durango inspecting more thoroughly going to DRGW than to RGS. No derailment or rough handling on RGS Durango to Mancos & return.

2 docs to 8/27: Rancher Duncan claims sheep held Lizard Head for 24 hrs. Loaded 07:00 8/26, departed 07:25 made connection with DRGW train 354 at 12:40 of 26th.

16 lds sheep to load at Peak/Dallas Divide 9/3 & 10/19.

500 sheets 16lb white Scrip wove Mimeo sent as sample.

10 gals headlight oil, 500 seals.

Suggestions. (not attached)

Instructions for conductors & motormen for filling out 'Closed Pouch Record' US Mail.

Letter from Divn Irrigation Engr Durango wanting to install gauging station 2 miles east of Mancos.

Genl Agt McAtee will work with RGS to investigate truck competition.

2 docs to 9/8: Geo Collins coming to examine mining properties. Doyle property, Bell Champion & other gold properties at Sawpit. Procure what assays & blue prints you can. Placerville samples assayed with no platinum. Yates will accompany Collins.

Trouble on wire 102 & 1 found by lineman Carroll in Dolores WU office, burnt out ground wire.
7 docs to 10/9: About vent pipes for reinstallation of toilets at Dolores station & section house.
2 docs to 9/27: Requisitioning 50 two cent stamps.

Steel flange tires & half bearing castings.

1 case printed material.

Rock in cut from MP 94 to west switch Stapleton will be cleared by contractor Jackson by Sat night.

RGS has built deep fill blocking our irrigation ditch. Fix.

Shipped 6 sets of pack segs sat 2.5 inch.

2 docs to 9/22: Material reports don't make sense. Fix & instruct foremen.

Check for payment of my BC #39 from Miles Mercantile enclosed.

Rico section men need gas. Send from Ridgway or purchase more at Dolores.

2 docs to 6/1: Who was your laborer second period May. No name on time roll. Sent via motorman 375 at Dolores. Was Lesardo Gallegos.

No names on your time roll.

Stored cars for May. All released except one.

1 oxygen sent, 2 mtys returned.

Handbrake on RGS 1505. Check rod put up. Chain connected. Now OK.

Cut water almost off at Dolores.

Dolores tonight. On river tomorrow. Rico tomorrow night.

Order for rods & stuff.

Send something to American Iron Works, Denver.

If vouchers have not been sent in, hold them until I return.

Mancos today. Working curve east end of bridge 131-A. Section men put new motor in service.

Durango tonight. MP 131 tomorrow lining curves. Dolores tomorrow night, Stoner section Thur.

3 docs to 6/28: Inventory of powder house. Someone with a switch key is stealing powder. Forwarded to White. White sent padlock.

2 Driving box brasses. Received 1/1/32.

2 docs to 6/16: American Sureties does not want to renew bond for agreement of 6/20/29. We have been paying 2.50/ton for our coal. On 7/1/32 we will pay \$2.25/ton account poor business & no prospect for improvement. If you wish to continue with these terms, furnish bond. (Missing ltr of 6/13 from Naff to Miller). Miller will extend agreement for 1 year with bond reduced from \$2500? to \$1500. If quality of coal does not meet our requirements we will reject & not take any more. Deductions we made to previous bills do not compensate for poor steaming.

Old barrels won't hold water need new ones at Mancos, Porter & Dolores.

Unloaded 165 bridge ties from one car & 265 from another.

4 docs to 6/13: Getting bad reports from Rico, Durango, Mancos. White wrote each of them.

Call Naff & Keck that we have not received May invoice. If not received today or tomorrow payment will be delayed 30 days.

Working Glencoe sect today. To Mancos tonight to see Forest Service about fire #2 of 1931.

J J Hackley, Mancos has about 450 sawn Yellow Pine ties at Milwood, cut for 1 year. He has authority.

Bulletin 8: Effective 6/16 J F Patton will take leave of absence for 6 months. C A Paul appointed temporary Roadmaster.

Coal samples from various veins from some unspecified location.

Intake for East Mancos tank has washed away. Need to build new intake 140' upstream.

2 docs to 6/20: 2 laborers did not get paid because no room on pay roll for them. No payroll, no pay. Put them on next payroll.

2 docs to 7/6: You have stated you are considering adding truck service from Cortez to Mancos & Dolores. You should extend to Durango. When in Durango I will meet with you to hear your ideas.

One oxygen sent, 1 mty returned.

2 docs to 7/7: How many blankets cleaned by City Steam Laundry Montrose? 16? On B-21.

2 docs to 7/11: Send 25 3 cent stamps. Sent 2 cent promise of 1 cent. (postage went to 3 cents 7/1)

Send 100 3 cent stamps.

Understand that RR shops & stations are exempt form federal tax on electricity. You or I file?

Instructions on filling out time roll & material slips.

Send 2 pads vouchers.

Weighed 3 cars ore at Telluride. Not necessary. All settlements on smelter weight. DRGW used to require. Not any more.

2 docs to 7/31: Discussing way for White to pay premium.

Piece of glass for agent Mancos.

Send 3 or 4 electric light globes including 1 for express man's room.

6 docs to 7/20: Vouchers cover labor & material for Western Union to repair telegraph wire between Stoner Creek & Dolores. Line was OK for RGS, but was repaired for Forest Service so RGS should not pay. There are two telegraph wires & two telephone wires between Stoner Creek & Dolores.

I wired Rico that we would charge \$5.00 for placing a car of logs or mining timbers at St Louis Tunnel if no expense to RGS clearing track.

2 pieces of 2 hex brass & 3 something.

G E Thorpe will arrive in Telluride 7/31 to relive D A Boyce Agt. Boyce going to Detroit. Since no train from Montrose to Ridgway on Sunday would prefer 30th.

Phone Naff Bros & order two cars coal week ending 7/23, of which they have already provided one.

Want to go to convention in Cortez Sat from 10:00 to 15:00. If OK, Mrs Lilly will fill in for me.

2 docs to 8/2: Want to go to Denver for 5 days in Aug. Mrs Lilly can handle station work & one of the girl from Rico can handle the wire. OK. You pay the girl from your salary.

Furnish statement showing material used to build side track for garage in Durango.

One oxygen in, one out in July.

Telluride Station transferred from D A Boyce to G E Thorpe.

2 docs to 8/20: Hawks wants to sell RGS 5000 ties at Placerville. Have 800 at Jays & 400 from O'Toole. Don't need any more unless ore ships from Rico.

4 docs to 8/6: Black wants to layoff. OK when he finishes garage or on 8/15.

You claimed time for July Sundays. Not allowed unless worked & cutoff rolls. Corrected.

2 docs to 8/19: Will not offer reduction in water rate furnished RGS.

You can pay premiums up to a year in advance.

Furnish 100 3 cent stamps.

2 docs to 8/6: You requested 50 dry cells in June, do you need 50 more? Yes. Keeping records to try to get 4/motor car to last 4 months. Not always working.

Receipt from Mrs Lavender for fare Ridgway to Montrose not used acct no train on Sunday not told by Agent Lilly, for handling with DRGW.

3 docs to 10/8: Wants to buy gas tank, pump & pipe that you might have a claim on. No claim. Contacted at Salle Construction at Pueblo. Salle agreed on pipe price.

3 docs to 8/17: NM Lumber Co got a contract to oil Mesa Verde Rd. \$0.20 rate established to get business from trucks moving from Alamosa to Mancos. 80 carloads. RGS gets \$0.10. Roundtrip not to take more than 5 days. Cars will be unloaded within 24 hours & must be returned to Durango promptly. First oil to be loaded in WY 8/20. Will run to Mancos upon receipt at Durango. If no other business, crew will be tied up at Mancos until mty available.

Joe Smith wants a culvert above Saw Pit. Will furnish flagman.

Corrections to time roll.

2 docs to 8/19: Making any repairs to DRGW equipment? Yes, have billed them. When stock starts will charge \$0.50 per loco for water.

Deposit check.

4 docs to 8/22: Power line construction to Park waiting on 2 cars poles. On DRGW. Deliver to RGS Ridgway on 8/18. Need more NG flat cars. One SG flat = 3 NG flat cars.

2 docs to 8/22: Report of cow struck at Noel. Rd Mst Paul cannot find any blood or hair. Probably struck on highway. Naff & Keck tonnage 408,900 lbs.

2 docs to 8/18: Cars RG 3182, 3708, 3554 Carnotite ore (radioactive) from Placerville delivered DRGW Ridgway 10:55 date.

3 docs to 8/30: TM Steinman went to Salida for goiter operation, relived by Disp Moore. Steinman get pay? Yes. Mr Orr is in Denver. Office says he has none on hand. Continental man is at Dove Creek. Will be back & provide answer.

No B-50 available at Mancos. Continental & Standard agents suggest you handle with Denver.

2 docs to 8/22: 2000 sets of 1023, 85 lbs.

2 docs to 8/27: Beginning Sept prepare new report of loco miles broken down various ways.

Mr Barney L Whatley called at office & requested I let you know he was making a trip over RGS by auto with a Mr Brown.

Reprimand for reporting 10 mins late & on another occasion caller had to make two trips to get you.

2 docs to 8/30: Spot 1 flat car Franklin Jct to load 1000' 30 lb rail for Taylor at Dolores & coal car at Rico for cinders. Report on work done, mainly to stockyards.

Do not report \$12 from Impson until I let you know.

Get 8 cars of mine run coal for first week of Sept from Naff Bros. 2 each to Ute Jct, Rico, Vance & Ridgway.

Hydrant at section house broken. Have Black fix. J B Torre.

Peak time roll not here. I am away next 7-10 days, so sign it for me.

2 cylinders of oxygen shipped in August.

Only have authority to work Stoner Creek section 3 days/week ditching. Use Wells a few days on Telluride section & cut off as soon as ties inserted.

Service Certificate of W G Laube Engr, cutoff account no work Sonority date of 5/25/06.

2 docs to 9/9: Naff wants a rate or \$2.25/ton Franklin Jct to Silverton. RGS rate is \$0.50 to Durango. DRGW will advise their rate. Investigate report of trucking coal from Ouray to Silverton. Origin probably Crested Butte or Somerset.

2 docs to 9/12: Bond applications attached for Moore to handle Dolores station in October during live stock shipping season.

Large track washout on branch between McPhee & Dolores. We do not expect any shipments from McPhee for some time, at least until we get washout repaired.

If you are considering sending an inspector to Dolores, now is the time. Trucks are handling beans to Phoenix & apples will be next.

Agent Boyce suggests Boyce handle express on 371 & 382 & Warrick to handle on 371. OK with me but believe we should have approval of Reed & you.

2 docs to 9/12: Vance Jct using 25-30 gal of gas/month. Report of gas sent to Brown, Peak & Vance sections.

2 docs to 9/14: E E Gibson, Durango brakeman has been taking freight turns out of Ridgway when he can't work out of Durango. Ridgway men complaining & want Gibson to work out of only one or the other. Krauser thinks unfair, but White handle it. (No labor agreements are in place on bankrupt RGS.)

Want your opinion if more work out of Ridgway than Durango with livestock moving. Work should be steady from 9/20 from Ridgway.

4 docs to 10/28: Report expected first movement of apples & potatoes. Apples 10/1. No potatoes due to low price. Form 3551, shop time card, carried exclusively in DRGW dept. Dept head will send 500.

Transportation Mutual Fire Insurance Inspector will start tour from Durango Thursday or Friday. Gas should not be stored in garages.

2 docs to 9/28: Sorry we sent 1-7/8 grease caps instead of 1-1/4. Sending 25 correct caps. If you have no use for incorrect caps, send back.

Somebody stealing gas from Telluride tool house. Put 8x8 under door & we are sending new lock.

480' good & 30' scrap 57 lb rail, 283' good & 28' scrap 52 lb rail.

2 cylinders of oxygen shipped in September.

3 docs to 10/7: We furnish dry cells to Lineman Riggin for maintaining telegraphphones. He orders 25 at once. Not sure he is using them on RGS. Should we only give him what he needs? Yes. (How do you know what he needs?) Brown requested 4 dry cells account motor car dead on 8/24. Investigate.

Cleaned warehouse day fire inspector was here. Want me to move the wood out? Fire extinguisher not recharged yet. Order 12 cars coal at once from Naff Bros for RGS.

Send carman to Franklin Jct to fix train line on RGS 1436 & 9297 broken where angle cock joins.

MP is putting out folder of fishing, hunting, health & recreational resorts. Need info from your area.

Stored phone from coach in record room & lanterns in supply cars. Lock coaches every night but bums get in to sleep. No damage. Stove installed in garage. (Seems to be a report from U S Black.)

Send supply of form 207-S.

4 docs to 10/28: Loco set fire last night at MP 18.5. Because of dry conditions have all sections on look out, especially bridges. Fire extinguished by parties unknown. No real damage. Claim by Vandever for 18-20 acres grazing land burned.

2 docs to 10/20: Wish to move family into Rico depot for winter so son can go to school. No.

Track at Pandora only had 170' of 30 lb rail. Will load 330' from inventory on top of ties to Telluride.

8 docs to 3/4/35!: We went to work at bridge 92-A The old farmer told us we couldn't do work because RGS only owned 36'. Go talk to farmer so we don't have a fight. (RGS Story vol 6 shows 100' RoW at bridge 92-A.) Want to move channel. No money to buy land from farmer. Will RGS get in trouble from the work done so far? 64' span found to need replacement. Decided to fill in instead. Fill completed 8/33. Accounting hassles to 3/4/35.

Order 5 cars loco coal from Naff Bros. 3 Ute Jct, 2 Rico.

Form from State Manufacture Inspector for your handling.

Order for 207s voucher checks & annual pass circulars.

3 docs to 10/31: Received wrong part. Correct part sent, wrong one sent back.

Store & roadway material reports in mail today.

Loaded 488 sheep & 189 cattle 8/1 - 10/25. Project 171 sheep & 54 cattle to 11/15.

Mailing letter from Krauser re Gold Run Mining at Telluride.

Track at Ames in good shape. Two switches installed at MP 46. Waiting on ties.

12 loco? brake shoes.

2 docs to 10/31: Sec Foreman at Mancos went to Dolores for several days without permission. I want to give two of them 30 days off & the rest will shape up. Want to get bad holes fixed before winter. Do as you see fit but if you lay off the old man, do not use one of his sons as foreman.

Want rate on coal from Telluride to: Montrose, Delta, Grand Jct.

Sept coal invoice from Naff & Keck received on 10/18. Delays our reports. We have complained to them to no avail. Handle.

One oxygen cylinder sent in Oct.

2 docs to 11/1: 10 cars coal to be furnished jointly by Naff Bros & W R Keck. Keck claims Naff wants to furnish all 10. White straightened out Naff.

Send locks for north house track switch stand Placerville & oil house Vance Jct.

Still in company hospital in Salida. Expect to be out 10 - 14 days. Fill out final proof of illness form for Sterling Casualty Insurance. (Patton took 6 months leave of absence 6/16/32.)

2 docs to 11/23: New Mexico Lbr rendered bill for 2672 second hand ties at \$0.20 each. Denver says buy 1000. Will send invoice back to NM Lbr. Still have not received inspection report of 1000 SH ties.

Send 3 sheets corrugated iron to cover windows of car ?. Kids have broken windows.

3 docs to 11/29: Two public health service certificates for RGS use of public water in Telluride & Durango. Telluride provisional because sanitary control is not maintained in catchment area.

4 docs to 11/30: Locos 40, 41, 42 set fire at MP 5 on 11/27. Why did crew not discover & stop. Thanks to Ridgway folks for putting out fire. How close was hay stack to tracks? Also includes inventory from Peak Section Foreman Massarotti of haystacks within 500 feet of track from 10/21/32 MP 1-4 & 13-14 & undated inventory for MP4-5. 55.88 tons burned at \$5/ton. Rando furnish statement of condition of spark arrestors.

This morning RGS was served subpoena in Duces Tecum, Michael P Fominyh vs Rowe N Pingry, Houser Leasing, Graham Hdw, & Whaler for 3 cars ore 7/11 to Golden Cycle, Colorado Springs set for 12/1 in District Court Durango. Papers to you & Krauser in mail.

Mr Gardenswartz wants rate for 9-10 cars cattle Placerville to Durango.

Telluride tonight, Ridgway in AM.

Need 2 track picks from my requisition urgently.

3 docs to 12/5: Contemplating buying small car of blacksmith coal. Anybody handling send sample & price. Keck \$.50/ton; BS Coal, Champion & Tom Pierce? sending samples & price.

4 docs to 12/5: Loco 12 failed on train of company coal. Arrangements to send loco 3 to rescue.

Changes to accounting for gasoline. Telluride & Dolores agents to furnish tank readings on 1st & 15th.

Report on loco & motor miles in Dec & since overhaul & total miles for Motors. Also loco miles by service class. M2 had 49477 total miles.

Abstract of interline waybill for a shipment from Placerville to Bellflower, CA.

Accounting correction.

2 docs to 1/13: Calculations are wrong for gas inventory. Only explanation is temperature change & evaporation of 42 gals.

You will work on section 3 days/week. You will build fire in Motor garage 7 days/wk allowed 1.5 hrs at \$0.66/hr for days not on section. Agent will now handle mail & express.

Granted 90 day leave of absence.

Businessmen & others of Rico are pleased with mail service into Rico.

Talked with Mr Orr at McPhee. Orr said business was good before Bank Holiday (3/6-10/33). No business until Holiday ends. He has about 3 track miles of 40 lb rail. Wants \$20/ton. Think we can get the lot for \$2000. Paul will quietly get a count. RGS needs it.

Agent Lilly suggests RGS make a rate of \$2 from Dolores to Durango & \$1.50 Mancos to Durango to get business now going by bus. I agree.

3 docs to 3/17: Prairie dogs are damaging track Jays Spur to Hagens but cannot acquire poison. Get from County Agent in Montrose.

Section men want free rate on groceries on RGS. Tariff 5019-D covers rates between any two points.

Need labor & material report 4120 for Feb from Hesperus.

Need your labor & material report for Feb.

All requisitions are to go through Rd Mst Paul for approval.

One of H D Davis' drivers says he will be hauling about 25 carloads of wool to load at Placerville.

DRGW will not handle hogs in double deck narrow gauge cars.

We have built water protection of 2 rock cribs on the San Miguel, 14 beaver dams on Dolores, have right of way about 1/4 cleared for 1st time in 15 years. Need to send Bergner to inspect bridges so we can get material order into Orr so he will deliver in time. Orr will save us 50%.

Flanger destroyed cattle guards west of Millwood. Fix. Done 4/21.

2 docs to 6/2: Wants rate of \$0.30 for wheat to Alamosa & Grand Jct to compete with Denver. Rate established.

Wheat did not move account Dolores farmers wanting too much money, Rates to be cancelled.

Oil shipments to Mancos out of Ophir today.

Gold Run mine at Pandora will not be ready to ship until 7/1. We can't make money at \$1/ton. Need at least \$1.25 with service once a week. Track OK. Smuggler also won't get going until 7/1. Smuggler needs to remove a large amount of debris from track.

Send 200 lbs of spikes to Ridgway for use on wrecker.

Wants black powder. \$3.25/keg from section foreman at Vance Jct.

Paul pull off men after 5/7 & go back to 3 day week. Wells, pull off Meitchen 6/7 & go back to 3 day week. Rip rap east of Wilson, strengthen crib & then start in at foot bridge & work west for 125' at Placerville.

4 docs to 5/12. Need rate per car load range to range feeder sheep Montrose to Sams & Brown. Also rate on sheep Montrose to Placerville. If rate is \$14.90 will have 15 cars on 5/17 & 20 on 5/20. DRGW will deliver 16 cars for Sams on 5/15.

Send 4 crow feet zincs, 4 coppers, 25lbs vitriol to F White Ridgway. White advise when arrived.

Pipe line to Rico section house needs to be replaced. Water Service does not have parts. Sending requisition.

New rail & water rates from Placerville, Dolores & Mancos to Boston. No change in all rail rates.

On 6/28, 2 spikes were driven into rail joints 2 poles east of MP62. Motors had just passed & Extra East ran over spikes. Find out who did it.

2 docs to 7/3: Rate made for 7-8 cars cattle Durango to Peak of \$20/car with understanding that cattle will move out of Placerville to Denver.

Established very low rates Durango to Rico, Ophir, Telluride & Placerville to cut out truck competition from Grand Jct. 15 watch inspection certificates for July. Most watches should not have passed but due to being out of work they have been passed.

You requisitioned dry cells for Telluride, Rico, Matterhorn & Brown. BUT delivered to Mancos, Hesperus & Glencoe. Records have to be accurate! In future you will mark supply car requisition for what actually took place.

New rates for freight all kinds moving to RGS points every Sat out of Denver. Also hoping to truck to Cortez from Dolores. Get busy marketing.

2 docs to 8/5: About the reduced rates on Saturdays from Denver to RGS points for LCL in Pool cars. Undercutting truck \$0.27. Placerville advise on prospects to Norwood. Get to marketing.

The distribution of time does not match your total time. Correct in future.

Your report of coal unloaded at Vance shows 42,100 lbs. Waybill was 52,1000. I have run down that 10,000 was unloaded at Lizard Head. Since you have frt bill you should have so indicated. Also you show car 9543 on hand & that is all, not even that it was at Vance Jct. Unacceptable.

4 docs to 10/5: William Ritter claims to own the Glencoe stock yards. Other sheepmen are now using & he wants a cut. Can't find any records in Denver. Get more details. Got more details. (not included.)

Order for 4 cars for sheep loading on 10/1.

Explanation of higher payroll in 9/33 than 9/32. Late DRGW trains required deadheading to Dolores so as not to violate hours of service, filling in 54' span of bridge 92-a, engine watchman for DRGW loco, etc.

Report of company cars on sidings at Vance & Mader (Matterhorn?).

Report of company cars on sidings at Vance, Brown & Noel.

3 docs to 12/6: Lee Ersuma wants through rate from Mack, grazing in transit at Peak to Denver for 5000 head of sheep. Furnished info.

Bulletin 20: Whistle must always be sounded on blind curves.

Upgrading Mancos Hill Coal Co. Have surplus slack coal would like you to try. We can't burn slack coal. DRGW can, contact them.

RGS annual pass issued to H L Holmes, Trav Frt & Pass Agent, MILW.

2 docs to 11/26: Re complaint of moving CCC food supplies too slowly over RGS. Provide specific dates & we will investigate. White to Krauser: only delay has been for 11 hours due to a derailment of loco 271.

3 pgs of DETAILED list of everything bridge gang did during Oct, incl rates of pay & cost of material.

Detailed statement of cost of Motor Car garage at Dolores. Total \$78.83.

You quoted rate of \$3.10 for flour so it was trucked. Rate is \$9.20. Do you have the tariff?

Numbers are wrong for coal on hand & consumption. Explanation.

Cars stored on RGS week ending 12/14.

Special fares to Denver Stock Show. FW ascertain the number of tickets to be sold to accommodate.

2 docs to 2/21: You annulled 371 on 2/17 account 'no connection'. Mail contract requires we run daily. Then on 18 you ran twice. DRGW advised that train of 17th was late but would have a lady & children on their train destined to Durango because of death of her father. So we held. DRGW finally arrived on 18th. If we could have gotten info from DRGW on their arrival we would not have held & then annulled.

Naff & Durango Coal have priced coal at \$2.25/ton until 6/30/34. Make new bookkeeping.

Customer Strond says there is a plan to lower the rate on salt. Advise.

6 page report of Bridge Foreman Bergner of his bridge inspection including material needed. Should put on bridge gang by 6/1.

2 docs to 5/16: Request for rates to & from Placerville sent to DRGW Genl Frt Agent instead of to RGS.

I have succeeded in getting Montezuma Creamery Assoc in routing freight through Dolores instead of trucking to Durango. Frt must not be delayed in Durango. Some of Cortez will also try via Dolores. Banker in Cortez was instrumental in routing. Will be necessary to run extra Motor out of Durango to avoid 24 hour delay in Durango. 31 selectees from Mesa Verde Camp to be discharged routed via Ridgway. We will route via Durango. We will have to run a train. White get equipment from DRGW.

4 docs to 8/9: DRGW has contract with Mr. Orr of New Mexico Lumber for 70,000 standard gauge ties. If NM lumber does grading & places ties for 4 car siding, RGS will lay rail & fasteners. 40 lb switch installed 8/9.

Need 625 ties for section to get it ready for the winter.

2 docs to 7/17: Short 22 pieces of bridge material. B&B foreman sent to check.

Check if State signs are at either side of state highway crossings. Many missing.

3 docs to 7/30: Revenue up \$184.17, expenses up \$1613.31 in June. Explain. MoW up \$1132.90 because B&B worked full month '34 instead of 12 days in '33. T&E up because of two brakemen in '34 instead of 1 in '33 because of longer trains. Fuel up because of using coal stored from '31 which had slacked thus using more.

2 docs to 8/1: Explain tie up at Dolores after Rico turn. Train went Durango to Dolores, rested, Dolores - Rico - Dolores, rest, Dolores - Durango. Also has hours & pay.

Sending back payroll with examples of correct payroll. Correct yours.

5 docs to 8/6: Stuff sold from Ridgway storehouse in 7/34 incl used Pierce Arrow tire. Total \$10.50.

3 docs to 8/7: Payroll increase of July '34 over '33. MP&C renewing flues in 42 to get ready for early stock moves. Stations due to increase in caretakers wages. Motormen because of extra trip to haul CCC supplies, T&E more lds & mtys moved. B&B worked one more Sunday. Roadway because of following each train to check for fires. Fuel unloaded one more car of coal.

Due to drought (not in RGS territory) feds buying up 60,000 head of cattle per day & shipping out of drought states. Expanded to sheep & goats. Also buying up to 150,000 tons of soybean hay.

3 docs to 8/18: Culvert at Placerville stockyards plugged. All space taken up at Bilk with ties. Paul fix.

4 docs to 8/22: Load lots of lumber to Gallagher's Spur.

Jarvis of Coast & Geodetic Survey will be at Peak at 08:00 8/22. Handle him & 3 concrete posts to where he wants to go.

Post attached (not) in your office from Railroad Labor Office. Done.

3 docs to 8/27: At Durango Motors not taking all available freight, partial shipments not indicated on waybills. Fix. Done.

Mulvey wants to ship 75-125 tons of low grade ore/day Telluride to Ophir 9/10 to 2/1. Need rate.

Repair stock yards at Rico.

2 docs to 10/1: New rates for freight all kinds, with exceptions, moving to RGS points from Grand Junction. New form, waybills. Motormen & Ridgway agent notified. Rio Grande Transport (trucker) must be in route. Agents send abstracts to Agent Browne in Grand Jct.

Brown & Peak sections worked on fire 21:00 to 24:00 until extinguished near Sams. Burned 4 acres of grass & dead timber.

4 docs to 8/17: How many head blocks on your sections & how many needed for the rest of the year? Answers.

Use section men from Brown instead of Vance for stock loading at Placerville.

Fix windows & move water inside. I will provide the sink.

3 docs to 9/26: Want to replace Joe D Torrez on my section with a man that will work & get it fixed up for winter.

Send man from Glencoe that is working only half time.

RGS 3419 ore at Hesperus with end pulled out, leaking concentrates. Will try to get to Durango.

On your stock schedule you show 15 cattle, Should be 15 sheep.

2 docs to 10/4: Need loading chutes at Dolores. Man owning scales & corrals is willing to install corrals if RGS builds chutes. If Dolores furnishes material, RGS will build chutes. RGS got second hand lumber from Timber Spur & moved to Dolores on M6.

Fidel Chavez ready for work at Mancos on Monday. Sending pass for Chavez to work at Mancos until 10/16.

You will move to Mancos on train 375 10/16.

Arrange to move to Mancos on 10/16 on M2.

Bulletin 13: Enginemen will comply with timetable speed of 6mph through old town Placerville.

In explanation for my actions at Rico depot on 10/7. I asked agent to wire dispatcher which he refused. I got sore & a bit of ruckus followed.

I want to put in 5 pieces of 3" pipe at Valley View to improve water supply. Get section men to move pipe from Hesperus because each pipe weighs 120 lbs. Begin work tomorrow.

Larson will sell us motor for \$40.

Time roll info.

Try your gauge 2nd or 3rd curve east of MP 6 to see if OK. 4th or 5th water box west of MP 11 is caved in; fix.

McDonald unloaded pipe at Valley View. Assist Black in handling to intake.

Work 4 days/week for next 3 weeks account track in bad condition.

Car 9354 coal for Matterhorn set out at Winkfield. CTD will move in preference to freight.

Furnish requested info so I can answer Krauser's questions about stock orders.

2 docs to 11/6: Gallagher Transfer trucked 49,000 lbs of placer mining machinery to foot of Slick Rock Hill on Dolores River & returned with 17 tons of ore. Ore belongs to U S Vanadium of NYC, P C Rees is Mgr. Supt in charge is Blair Burwell of Naturita. Placer Mining is 'San Miguel River Gold Placer Syndicate'. More info may be available from W F Wilcox of Montrose Press, article attached.

5 docs to 11/14: Install water in section houses at Rico & Mancos. Section Foremen will dig necessary trenches.

3 docs to 12/6; Handling discrepancy of oxygen cylinders owned by Linde Air.

Unable to keep powder because property closed down a few days ago. Left the 2 cases at Placerville.

2 docs to 11/16: Sec Foreman at Vance Jct needs book of rules. When we moved foremen around some books may have been misplaced. Check around. Don't have any in stock but if you need more will order.

Send Consolidated Freight Classifications #9 & supplements J W Helm, Agent RGS Durango.

130 gal gas on hand on 1/15.

2 docs to 1/23: Why was battery on M2 on 1/22? Oil can wore hole through insulation on starter wire & burned out battery.

4 docs to 1/24: N D Morals out of Durango on 376 to Fuita via Ridgway lost ticket. Agent Miller (Ridgway) to issue replacement. Lost ticket bulletined.

3 docs to 2/18: Notified that N K Roubidoux is going to build an irrigation ditch on RGS right of way. RGS will not allow.

3 forms regarding coaling of locos for your use.

Attached report of fires on RGS in 1934. Correct?

Rd Mst requesting free rate for groceries for outlying sections. Most sections get groceries at Rico at high prices & they don't make much money. With free transport they can shop at cheaper Dolores. Grocer at Rico get supplies by truck!

2 docs to 3/17: Bulletin: O B Rensch local Surgeon replacing R L Downing 4/1.

3 docs to 3/18: Report on Ames slide. Not much snow at bottom, lot of snow at top, no water running.
2 docs to 3/23: Legal description of what has to be done to livestock if it needs to be unloaded in Durango interchanged between DRGW (Railroad) & RGS (Receiver).

Furnishing documents to exempt RGS from sales tax for Colo & US.

Will be in Placerville Monday afternoon to receive new ties. Keep 150 & load rest.

7 docs to 4/10: Explanation of expense increase of \$2127.66 for March '35 vs '34.

2 docs to 4/10: G D Taylor wants water box installed. He is providing material, who bears labor expense? If replacement RGS, if new Taylor.

3 docs to 4/13: Re bridge lumber order. You can order from Martin & Hotchkiss for \$18/MB 28' Oregon strings now std on DRGW. Can get by with 30' but not 28'.

2 docs to 4/17: Car RG1755 contained poor coal seemingly air slacked. Overtime due to poor coal equaled cost of coal. An adjustment is due RGS. We are surprised our coal was bad. We thought it was better. Stop when you are in Durango next.

2 docs to 4/15: Squabble over some ties at MP 20.

2 docs to ?: Wichman of Telluride Brewery wanted a rate of \$0.65 to move malt from Grand Jct. Now he says rate must be \$0.60 or 0.55. Find out what Wichman wants & whether it is worth it. Then give results to White to decide.

Circular 53: Instructions for billing.

2 docs to 5/9: Naff Bros offering nut coal for \$2.00/ton. Checked it & car was 75% slack & balance nut & pea. If we use it, it will cost more in overtime than the mine run coal at \$2.25.

4 docs to 5/2: If I have to spend 11 hours heaving coal I will get behind in my track work. Have a cousin who can heave coal. OK to hire him for \$4.84 for 11 hours of work.

Ordered Elaterite roofing to repair Ridgway roundhouse. Can start bridge gang 6/1 or earlier if water conditions permit.

2 docs to 5/27: 11 pieces of pine are correct. Used as bridge stringers on short spans of <16'.

6 pages of 1935 Bridge Inspection including material needed.

2 docs to 6/5: First cattle guard out of Telluride not working. Will fix.

2 docs to 6/8: Grade crossing at Porter needs fixing. Murphy fix.

Dolores River up 6" higher than anytime this year. Worked late last night to protect track near section house Rico.

Down 6" this AM. San Miguel up about 12" this AM.

Timber loaded Placerville. Where do you want it?

May invoice shows 3 cars. Ordered 1. Denver only authorized 1. Can only pay for 1.

4 docs to 6/18: Car derailed at Pandora due to high water. Sending hydraulic jacks to rerail. Bridge at Pandora washed out. Water is still too high to do anything. When water goes down will decide to dig out channel under bridge or build new bridge. Too many rocks are coming into old channel now to dig out. Sending timber for bridge repairs. Stock arrived Durango 6.5 hours. Owner refused to sign 36 hour release. DRGW says that in future if owner refuses to sign release, stock must be unloaded Durango. Need to get this reversed.

He? has not worked this year.

Lds on hand.

Will make 4 reports for roundtrip.

7 docs to 8/16: Any work being done on San Juan spur at Telluride? How much & who pays? Extending 4 car lengths to reduce switching time & increase safety. List of material used.

Can keep spotlight 2 weeks on trial. Let them know how it works.

Need water line to Hesperus section house replaced. Need 100' 3/4" galvanized. Something for Rico depot.

Move B&B outfit from Ophir to Gallagher's Spur 8/14.
Deep Ck water tank shows empty. Fix it.
Order board & clock are broken. Bridge gang will fix next week.
2 docs to 8/12: Stock order for 10/8.
Odenbaugh has turned in only 2 locks. Rest lost.
Ditch plugged again. Brown & Vance sections fix.

3 docs to 9/11: Need material for sheds at Lizard Head & guard rail. Will send guard rail billed Rico. Unload where desired. Will get second hand lumber for Lizard head. Ordered 5000 BM' of 1" & 50 pieces of 4x6-16 for Lizard head. Daily situation report on form by relief dispatcher is preferable for mailing.
2 docs to 8/26: Want to build 2 apt houses in Durango for Agent & Machinist. Reduce overtime & make them more available. No. Need money to build motor (M7), ties tires for locos, etc.

Need bridge material loaded on train of 8/27 for Rico coal chute.
Status of fire extinguishers.
2 docs to 8/30: Roof of section house leaking. Need some shingles. Bergner fix.
Back door of depot to be fixed while Bergner is here.
Small stream that supplies Trout Lake tank is almost dry despite all the rain. Cannot figure out why.
Stock order for 15 cars 10/20.
Need 20 gals of gas for Sept.
Send half of a box of dynamite to Minson, other half to Ruybalid at Vance Jct.
Perkins Garage wanting to buy 5 coach seat cushions for school bus. Have many stored at Ridgway.
Be in Ridgway 9/3 to clean up yard & unload gravel.
2 docs to 9/4: First aid kits.

Water box at MP121.5 washed out. Temporary repairs made. Bergner to fix.
Ideas for improving the Ute Jct coaling facility.

2 docs to 9/17: An arroyo was changed so that it deposits trash on RGS track. Any agreement with City? None found.
Stock order for 4 cars of sheep 10/7 from Glencoe.
2 docs to 9/10: Toilet pit is full. Dig new pit, move outhouse over it.
Furnish car numbers of 2 cars back of sand house. Also Road Master's car.
2 docs to 9/11: OK to install scales at Peak. Not official weights because not Western Weighing Bureau approved. If Deimer has 1000 lb test weight to balance, then arrange for balancing.
LCL into Durango from CCC running heavy & CCC doesn't pick up promptly. Suggest moving std gauge boxcar from Rio Lado & bridge gang connect with existing freight car.

8 docs to 10/10: Ed Sargent of Chama wants Hesperus scales fixed. He will pay. Inspector says scales OK.

43 docs to 10/31: Ute coal tipple, 88 tons coal, DRGW 1306, 20 main line ties in front of tipple, 84 ties in tipple track, 4-#7 coal scoops burned. 5-52lb rails in main & 6-30lb rails on tipple track damaged. Discovered 11:30. Probable cause smoldering spark. Several ideas for rebuild. FW has idea for only \$800 instead of >\$3000 that will also save coal & labor. Lots of accounting stuff. Insurance will not pay much as structure was depreciated >50%. Some salvage parts from coal car. (Was built to White's plans. Pictures pp 198-200 of RGS Story vol 9).

2 docs to 9/29: RGS 01664 Id of bridge material has draft rod broken & draw head pulled out. Bergner fix or unload.

Remind agents & conductors about reporting car numbers correctly. Many transpositions. Bulletin 15 issued.
Need conductors report of special train run 9/24 for government.

Smuggler Mine at Pandora wishes 600' temporary track to bring in machinery. Smuggler will do grading & build bridge. RGS cost about \$325.68. Smuggler also wishes to build permanent 300' extension to the high line where they will unload 2 to 3 cars of oil/month.

Bulletin 16: Enginemen not making out locomotive inspection reports correctly. If you don't understand see Foreman Randow.

10 docs to 11/26: Need rate on 10 cars gravel Telluride to Mancos. Rate must include \$7/car for section men to load cars. Government waybill. \$35/car including loading at San Juan Metal. No charge for gravel. Moved at least 7 cars.

I worked Sundays shoveling coal.

Gauge all curves to see there is no wide gauge.

2 docs to 11/26: Material needed to store water in Durango, get hose to water tank on top of Motors & get into house. Dug ditch for pipeline.

4 docs to 11/4: Rates on 10,000 sheep into & out of Peak.

3 docs to 11/1: Explanation of 1st half Oct payroll higher \$695.31, but revenue less for 152 more loads.

10 docs to 12/14: Motorman G F Milly not reporting cash fares. Fired.

Send our checks to Durango.

Time slip for 10/28 Dolores to Durango.

Brown section out of coal. Need switch key to replace one lost.

Look over insurance schedule for accuracy.

Inventory of hay stacks within 500 yards of RGS RoW.

2 docs to 11/23: Explanation of why payroll increased \$1585.46 Oct '35 over '34.

2 docs to 12/13: Want new typewriter. Lengthy explanation of why.

Usual provisional certificate to use Telluride water for drinking.

Table for calculating weights of lumber from Montezuma Lumber Co.

5 docs to 12/20: White post the RR Ret Board Bulletin of 'Notice of Registration'. Receiver Miller added a note to bulletins from the AAR that 'The Company does not wish its employees to be misled into thinking that it concedes the constitutionality of the Pension Act of 1935'. (Pension Act of 1935 was the Social Security Act.)

5 docs to 12/12: Explanation of \$2876.02 increase in November payroll. Includes lists of all trains run in 11/34 & 11/35. Added machinist helper to make changes to motors required by Federal Inspector.

7 docs to 12/16: Krauser upset by delays of train Dolores to Durango. Cond Sanders provides explanation.

Foreman Randow wants to purchase 5 frost shields & 1 windshield wiper for the shop boys' private autos.

Providing detailed explanations of Dolores to Durango trip 12/11.

Bulletin 26: When required by weather an engine crew will be assigned at Rico for snow & helper service. Paid for actual time worked. Will be awarded to senior applicants.

Wire me days & hours 1st half Jan for you & Hamm.

10 pages of details of what B&B gang did in '35 excluding rebuilding Ute Coal Trestle. Includes materials & costs including hours of labor.

Oil & gas reports from Durango, Dolores, Telluride & Ridgway for Jan. Telluride report shows Day, Motorman, Motor # & oil & gas dispensed.

Oil & gas reports from Durango, Dolores, Telluride & Ridgway for March. Telluride report shows Day, Motorman, Motor # & oil & gas dispensed.

9 telegrams about the everyday mundane running of the railroad.

Furnish rate for potatoes to Chgo, Miss River, Mo River points, Lubbock, Abilene, San Antonio, Weatherford, Merced, Brownsville, TX & Alexandria LA.

Krauser says to immediately place all Sect Foremen on full monthly pay. Also put on laborers on each section daily except Sunday.

28 telegrams about the everyday mundane running the railroad.

Have 1st train fill water barrels bridge 9-A.

Collect \$250 for 10 tons of rail for Coke Ovens. When you have the money bill rail DH to Coke Ovens.
